

Toyota Technological Institute at Chicago

Advisor's Recommendation For Student Participation in CPT

Advisor Name

Student Name

Quarter/Year of CPT

This form represents my approval for the student named above to partake in Curricular Practical Training (CPT) for the quarter listed above.

It is understood that the student will enroll in TTIC Field Research for the entire approved period of CPT, and that this employment meets the requirements of the course.

The student and I will review the project(s) undertaken during CPT and I will assign a grade for TTIC Field Research based on this review at the end of the quarter, and forward this grade to the TTIC Registrar.

If submitting the form electronically, the advisor's name typed in below will be recorded as his/her signature.
